

Welcome!

Thank you so much for joining the Life Scripts family.
This letter will help get you started on making the most of our time together.

Coaching works when there are two factors present:

1. You are ready and willing to grow
2. There is a gap between where you are now and where you want to be

Together, we will help you find relief in your current situation and renewal through positive, practical tools.

Let's get started designing and implementing a plan of action to solve problems, create a happier personal and work life, improve communication skills, build healthy relationships and to meet your unique goals.

Your Welcome Packet contains information that will help you understand the nature of coaching and how we will work together. You will also find mandatory administrative forms and some optional session planning and follow-up forms that will assist you in tracking and making the most of your progress.

If you are working from the web, please find the forms at www.bonnyking-taylor.com. Click on **Individuals** and then on right column under **Client Forms & Policies**.

Please complete the intake and service agreement forms and then send a copy to me by mail, email attachment or fax to 1.866.821.9386.

Put your originals in a file folder where you will keep all your tracking materials, handouts, resources and tools. You'll want to make copies of some forms for regular use.

I'm looking forward to the journey we are embarking upon together.

Wishing you good choices,

Bonny
